Projects

Travelwithmaalaka — Travel Agency Website

2025 | travelwithmaalaka.com | HTML, CSS, JavaScript, Python

- Designed and developed a fully functional website for a travel agency from scratch.
- Implemented responsive design for seamless experience across all devices.
- Managed deployment and ongoing maintenance of the live website.

Modern Weather App

2024 | github.com/Manugapulmith/modern-weather-app | Python

- Built a functional weather application that fetches real-time data via public API.
- Designed a clean, modern UI with responsive layout for all screen sizes.

Certifications

- Front End Web Development — University of Moratuwa (UOM)
- Foundations: Data, Data, Everywhere — Google / Coursera
- Python for Beginners — University of Moratuwa (UOM)
- Digital Marketing Certified — HubSpot Academy
